## **DAY 3 : IJEN PALTUDING – TUMAK SEWU**

Getting up at 12:00 Am. if you spend the night in Bondowoso and 01:00 Am. if you spend the night in the Belawan Ijen area. Packing up and prepare to continue the journey to Paltuding Ijen Crater. Travel time is about 30 minutes from Belawan, and 1 hours 50 minutes from Bondowoso City.

Arriving at paltuding is the main gate of the Ijen Crater trekking path. From here, you will start trekking as far as 3.5 km with a travel time 1.5-2 hours. Until the crater rim, you have to trek down, towards the Crater Lake area. From here, you can see the phenomenon of blue fire and mining activities and miners who are passing by. Blue Fire Ijen Crater you can enjoy it until 05:00 Am. only because when the sun begins to appear the blue fire has been faint because there is a brighter light.

After enjoying the phenomenon of Blue Fire, we keep on exploring the area above the lip of the crater of Ijen to enjoy the sunrise. From here, you can capture the beautiful moments of the acid lake Ijen Crater which is green Tosca. Beautiful and spectacular scenery around the crater of Ijen appeared in the morning.

This site makes us being amazed because at the time of the climb we cannot see anything and it is still dark. This is like real magic, and can only amaze us and can only say “Woow its Amazing”. After enjoying the view of the Ijen Crater, at 07:00 Am. we return to the starting point of the paltuding gate. Resting for a while, enjoying coffee morning and having breakfast at local restaurant, than we continue the journey back to Tumpaksewu Waterfall – Lumajang via Jember and having lunch in local restaurant all the way. Checking in at hotel and free programs.
