## DAY 02 : BROMO SUNRISE TOUR

Exactly at about 12:30 Am, The Hotel receptionist will wake you up, then transferring to Jeep at least 10 minutes after, while at that moment you can enjoy the snack and hot drink around the top view point area to burn your stomach due to the cold air surrounding there. Not long after this, the jeep's exploring the road, passing the large see of sand, with great number dust, looks so dark, only by the bright jeep torching we can go breakthrough the thick black sand flying and coming in front of us, then few minutes after this, coming up new challenges of the full zigzag road and climbing step by step to the view point that always challenge us, but however this such safety of dangerous advantages will get to arrive. We have climbed at the height for about 2.329 above the sea. After the jeep parking, then we get it off, take a walk for about 10 minutes. Prepare all the things such as: Jacket, masker, glove, shoes, shawl, socks, good camera. Remembering when you are not so strong by the smell of sulfur, you can take your masker and wet it. Be careful with all your things carried there, because there many crowd of people. The sun rises at about 04:00 to 05:00
